A hand-drawn mobile app interface for adding disciplines. The interface is contained within a rounded rectangle with a black border. At the top, there are three status bar icons: a signal strength indicator, two circles, and a camera icon. Below these, there are three icons: a hamburger menu (three horizontal lines), a graduation cap, and a person icon. The main title "Disciplinas" is written in a large, bold, black font. Below the title, there are four text input fields, each with a label above it: "Nome da disciplina:", "Sigla:", "Professor(a):", and "Sala:". Each input field has a small "Text input" label inside its top-left corner. At the bottom of the form, there are two large, hand-drawn icons: a blue 'X' on the left and a blue checkmark on the right. The entire interface is set against a background with a repeating "NinjaMock" watermark.
